SPONSORSHIP OPPORTUNITIES

“I will praise you for I am fearfully and wonderfully made” - Psalm 139:14

Hands of Hope Tucson is proud of our history of 42 years of serving the Tucson community. We have met tens of thousands of women and men facing unexpected pregnancy with love, care, and compassion. All of our services are provided at no cost to our clients because of the generous donations of our community. There are more women than ever needing and seeking out our free services and the crucial support we provide.

To continue meeting men and women facing unexpected pregnancy, we host our yearly Gala. As a Gala Sponsor, your organization will have the opportunity to not only be recognized in front of the around 1,000 like minded attendees, you will also deeply impact the lives of those 1,000 people attending. This year's Gala theme is Alabanza, which means "Praise". There is much to praise God for that you will hear about at the Gala.

Historically, our business sponsors have been indispensable in helping allowing more people to have the opportunity to attend the Gala and seeing all expenses are covered so that 100% of funds raised go straight to supporting our clients in need.

We would love to extend the opportunity to you to be a part of this event through becoming a business sponsor at any level that you are able. Now, more than ever, your generosity can see the vulnerable in our community met with the dignity, medical professionalism, and support they deserve.

Thank you for considering becoming a life-affirming sponsor.

You can become a sponsor by going to HandsofHopeTucson.com/Gala and selecting in the dropdown "2023 Gala Sponsorship" or by mailing in a check. More detailed giving instructions are listed on the last page in this packet.
